

Statement of Commitment to Child Safety

At Words of a Feather:

- We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability. Our commitment extends to all children regardless of gender, race, country of origin, disability or religious belief.
- We acknowledge the right of every child to be safe, and aim to create a child safe and child friendly environment where children feel safe, happy, and empowered.
- We support and respect all children, as well as our staff and guests.
- The welfare of the children in our care – in person and online – will always be our first priority.
- We have a zero tolerance policy of child abuse.
- We have specific policies and procedures in place that support our team members to achieve these commitments.

The Words of a Feather team agrees to abide by this Statement of Commitment to Child Safety at all times.
